Club Access Policy

The Government announced that from Monday 30 January 2023, it will cease issuing isolation orders to those who test positive for Covid-19.

However, for the wellbeing of all members, guests and visitors, we ask that you refrain from using the Club should you feel unwell or test positive for Covid-19.

Please note that the government's mask mandate remains unchanged, and all persons must wear a face mask at all times within Club premises, except when eating or drinking, participating in a sporting activity, or having a shower.
