

Old Course to Host the International Golf Challenge at HKGC

(Tuesday 12 September) – The EFG Young Athletes Foundation, which supports talented young athletes in Hong Kong across all sporting disciplines, will launch the inaugural EFG Young Athletes Foundation International Golf Challenge at the Old Course on the historic Hong Kong Golf Club tomorrow. Heavy rain in the lead up to the event hampered course preparations at Fanling with the Eden Course, which had been designated for play, left saturated. But after receiving agreement from the HKSAR Government, the two-day tournament will now take place over the better draining Old Course.
